SITAR ARTS CENTER

ABOUT US

Sitar Arts Center provides multidisciplinary arts education to the children and youth of Washington, DC in a nurturing, creative community where young people discover their inherent talents and gifts. Fostering personal and artistic growth through the visual arts, music, drama, dance, digital arts and creative writing, the Center offers after-school, weekend and summer classes to more than 700 students a year, 80 percent of whom come from low-income households.

More than 120 talented artists volunteer their time each week to teach and inspire the Center's students in a state-of-the-art facility. Together with a network of premier partnering arts organizations such as Arena Stage, Corcoran Gallery of Art, the Washington Ballet, the National Symphony Orchestra and Washington Performing Arts Society, our passionate volunteer faculty makes a lasting impact on our students' lives.

Sitar Arts Center was named a 2009 Coming Up Taller Award Winner by the President's Committee on the Arts and Humanities, distinguishing the Center as one of the premier afterschool arts and humanities organizations serving youth in the nation.

Bringing high-quality arts education to families who would otherwise not have these opportunities, Sitar Arts Center relies on charitable contributions to ensure that no family is ever turned away because of inability to pay.
